Global Youth Safety in Urban Environments Competition Survey Questionnaire

Welcome to the first stage of the Global Youth Safety in Urban Environments Competition.

As part of the Global Youth Safety in Urban Environments Competition we would like to ask you some short questions. Remember this competition takes place within the Safe Urban Environments Program (SUEP) where we aim at understanding the needs of young people in terms of safety and security. We want to understand what safety and security issues you find challenging in your environment (for example: lack of places to meet with your friends, lack of safe places to do sports, harassment in public transport, lack of clean air, etc.). For a quick reminder about the program and its parameters please click here: https://iclei.org/en/PhotoContest.html

Awards
There are 18 awards totaling 2300 Swiss Francs (CHF). There will be 15 awards (1\textsuperscript{st}, 2\textsuperscript{nd}, 3\textsuperscript{rd} and 12 finalists) for the video, photo and drawing competition. Three other awards will go to participants who propose the three best names for the program.

Duration of the competition
From 3 to 19 August 2021

Section 3

And now, we want to ask you what we should call the program? So far, we have called it ‘The Safe and Urban Environments Program’, but we think you can do better than us in coming up with a great name. We are looking for a name that is creative and at the same time captures the essence of the program, and most importantly, that speaks to young people. Be creative and brave in your proposal, all ideas are welcome!

7. Proposed name of the program:
