

## List of Winners and Awards – Youth Safety in Urban Environments Competition

**Date: 13.09.2021**

Thank you for the wonderful submissions we received, they were creative, inspiring and extremely informative of the reality in your urban contexts in terms of safety and security.

Please find below the final list of winners and awards for the following categories:

- Category 1: Photo/video/drawing of the safety issue in your city
- Category 2: New name for the program
- Category 3: Honorary mentions: these submissions were wonderful and we wanted to provide a space to recognize their effort, even if they didn't make it to the finalists/winners.

You can access the entries from our 20 finalists [here](#).

We will be contacting all winners by e-mail to start the process of ensuring they receive their awards promptly. We will also be contacting by e-mail all participants as a follow-up to the competition to see if you would like to keep being involved and informed of the program activities going forward.

If you have any questions on the awards, winners or the results of the competition, please don't hesitate to contact Dr. Nazmul Huq at: [resilient.cities@iclei.org](mailto:resilient.cities@iclei.org) with CC: Lorena Zemp ([lorena.zemp@gib-foundation.org](mailto:lorena.zemp@gib-foundation.org))

Thank you and all the best,

ICLEI – Local Governments for Sustainability  
Global Infrastructure Basel Foundation
